Oxford Royale Academy students experience life at Scotland's first university, the University of St Andrews, located in the picturesque seaside town of St Andrews.

THE TOWN

The picturesque small town of St Andrews is located on the Scottish eastern coast of Fife.

The historic surroundings and beautiful seaside location make St Andrews a refreshing haven in which to study and explore the Scottish countryside.

The town is also known worldwide as the “home of golf”, with several courses ranked amongst the finest in the world.

STAYING AS A GUEST IN

THE UNIVERSITY OF ST ANDREWS

Oxford Royale Academy is most privileged to use the facilities of the University of St Andrews in Scotland over the summer months.

Established in 1413, the University of St Andrews is the oldest university in Scotland, and has built a reputation as one of the world's leading research and teaching centres.

In its 600 year history, the University of St Andrews has educated some very distinguished alumni. The most notable of recent times are, of course, Prince William and his wife Catherine - the Duke and Duchess of Cambridge.

In addition to the royals, other notable alumni of Saint Andrews include Edward Jenner, the pioneer of the smallpox vaccine and six-time Olympic champion cyclist Chris Hoy.
